

Report on awareness program under #Azadi ka Amrit Mahotsav at ICFRE-HFRI on 27th February, 2023

ICFRE-HFRI, Shimla organized an awareness program under #Azadi ka Amrit Mahotsav at HFRI on 27th February, 2023 on Solid Waste Management. Dr. Jagdish Singh, Head Extension division gave a presentation on solid waste management. He briefed about types of solid wastes, their hazardous impacts, treatments and disposal of solid waste, and ways forward. He cited the example of the garbage mountain of Delhi, and how things turn if not managed properly early. Dr. Sandeep Sharma told that solid waste is also creating environmental pollution. About 40 participants including people from Panthaghati, Suburban area participated in the programme. The programme ended with a vote of thanks by Dr. Joginder Chauhan, CTO, Extension Division, HFRI, Shimla.

GLIMPSES OF THE VISIT
