

ICFRE-HFRI Guest House Information

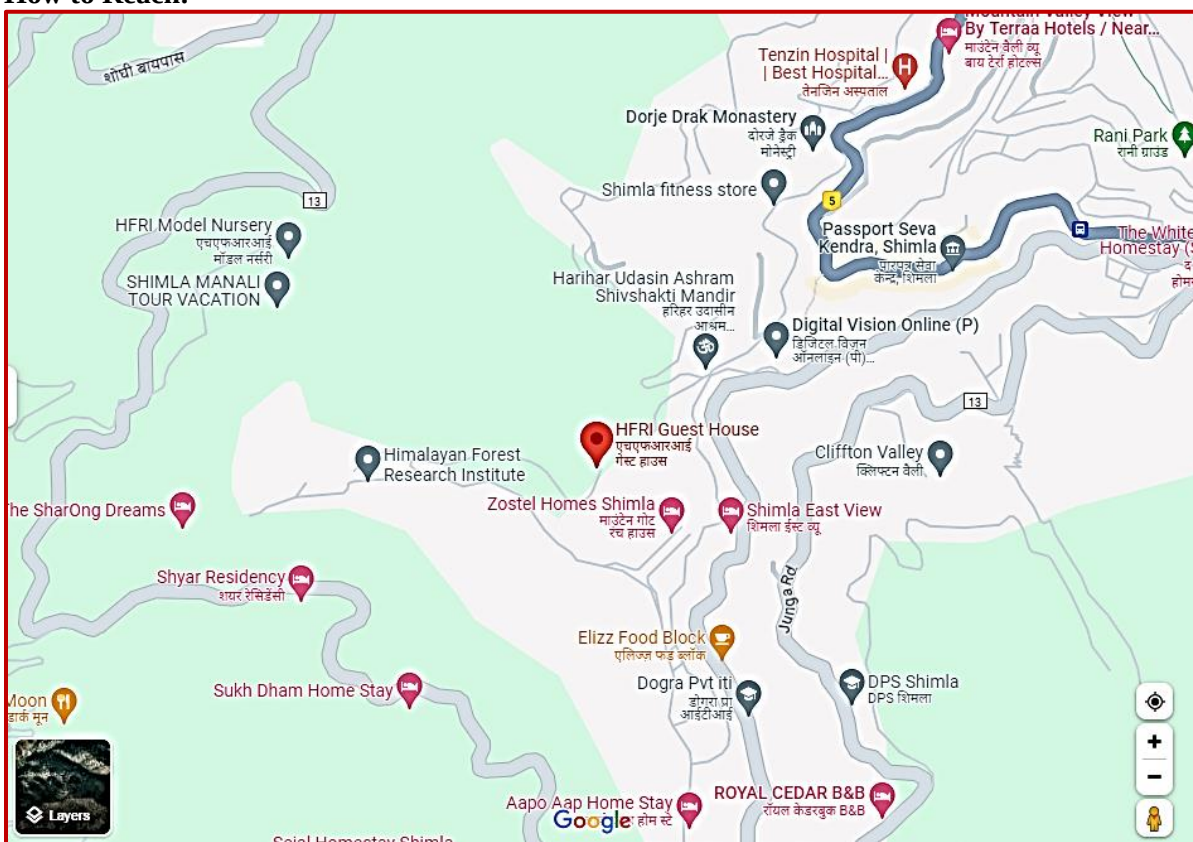

A. ICFRE-HFRI Guest House:

ICFRE-Himalayan Forest Research Institute, Shimla has a guest house in its campus at Panthaghati. The Guest House is located at 31° 4'3.84"N latitude and 77°10'35.88"E longitude and 1939m altitude. The Guest House is nestled amongst deodar trees and is around 12 km away from the ISBT Shimla, and 24.0 km from Shoghi (via Shoghi by pass road).

Weather:

Shimla experiences mildly warm summers, slightly warm springs, and extremely cold winters. The hill station is a popular year-round resort, drawing crowds in the summer months of April through June for its pleasant climates and in the winter months of December through February for the enchanted snowfalls. There is a certain allure to the fall months of September through November and the spring in March. The hills are most lovely during the wet months of July and August, when curling mists rise.
