

## केन्द्रीय विद्यालय जाखू हिल्स, शिमला, हिमाचल प्रदेश में आयोजित कार्यक्रम पर रिपोर्ट

### Report on Program organized at KVS Jakhoo Hills, Shimla, HP

---

The ICFRE-Himalayan Forest Research Institute, Shimla, as part of the #Prakriti Program and #MissionLiFE, under PM Shree- Under the Tree Programme organized an awareness event on 13<sup>th</sup> February, 2025, at KVS, Jakhoo Hills, Shimla, Himachal Pradesh. The objective of the program was to aware students about the importance of tree and biodiversity, emphasizing the vital role of young people in climate protection. Ninety students actively participated in the session and showed keen interest and engagement. Dr. Vaneet Jishtu, Scientist-E, Head Extension, ICFRE-HFRI, Shimla conducted an interactive session on biodiversity, stressing the critical need to preserve and need of each species in ecological balance. Dr. Jishtu made session interesting for the students by narrating different stories like The Giving Tree story by Shel Silverstein. He also told about various aspects of Mission LiFE, particularly the reduction of single-use plastic and the proper disposal of waste, encouraging the students to adopt sustainable practices. The students showed a keen interest in learning about the environmental challenges discussed and were inspired to contribute to climate action. At the end of the programme, the students queried and Dr. Vaneet Jishtu took the time to address all their queries. Finally, Sh. Sharab Dorje, Vice Principal, expressed his gratitude to the visiting team and to the Director of the Institute for organizing such a vital and informative session, which greatly benefited the students.

## Glimpses of Programme
